*Compass Rose Design Jewelry is a woman-owned, Bay Area-based, artisan operation of handcrafted Victorian antique button jewelry, understated steampunk jewelry, and other upcycled treasures crafted with found and storied objects.*

*Please note that I work with unique and vintage objects. Each piece is assembled to accent its unique qualities and will vary slightly from the example photos. Thus, each watch movement, button design etc is unique, though requests are honored as I am able. Feel free to just ask for an artist's selection of colors. Remember there is sometimes natural variation in hues or loving wear that accompanies the antique items I work with. Thank you for supporting handmade endeavors!*
